

What do our schools expect from you and your child?

- Punctual and regular attendance.
- Routine medical appointments (dentist, doctors, opticians) to be taken out of school hours.
- For the school to be contacted on the first day of absence before 9.15am, should your child be unable to attend.
- To provide the reason for absence and give an estimate of how long your child is likely to be away from school.
- To ensure your child remains at home during the illness (unless attending a medical appointment associated with the illness).
- To avoid holidays – children have 13 weeks of school holidays, therefore we do not support the taking of holidays in term time.
- To contact school as soon as possible in cases of family emergency requiring your child to miss school.

Why is high attendance so important?

- High attendance gives pupils the best chance of being successful at school.
- High attending pupils make better progress and get better results than pupils with poor attendance.
- High attending pupils are able to be involved in all the activities which the school runs.
- High attending pupils tend to have better social and friendship skills.
- High attendance is particularly important at the start of terms when classes are new, or where there are planned assessments being held at the school.

Where attendance is poor

- The Education Welfare Officer works with our schools to monitor attendance.
- Where attendance is a cause for concern the Education Welfare Officer will contact home to offer support on how to improve attendance.
- Where attendance remains poor a referral may be made to the Local Authority's Education Investigation Service for consideration of legal action.
- If found guilty of failing to ensure regular attendance parents can be fined up to £2,500 and/or up to 3 months imprisonment.
- Worcestershire County Council can also issue penalty notice fines of £60 payable per parent, per child, increasing to £120 each if not paid within 21 days. If this fine is not paid within 28 days this may lead to court proceedings.

Do you think 90% attendance is good?

If your child has 90% attendance then:

- He or she will miss the equivalent of half a day a week, which is 19 days in the school year or nearly 4 weeks.
- From Reception to Year 4 he or she will miss over 18 weeks, which is half a school year.
- From Reception to Year 11 he or she will miss over 52 weeks, which is a school year and a term.
