Headteacher: Miss L Kelly - BEd (Hons)

Dear Parents/Carers,

We've added a new way to stay up-to-date with what your child is doing in school.

During your child's year in Reception, we create an individual Learning Journal for your child. This includes photos of their play, examples of work and longer observations on their learning. This is then used to assess and plan for your child's individual needs and learning.

In order to create these learning journals, we use an iPad app called '2Build a Profile.' The 'Parent Share' section of this app lets you receive reports (complete with photos) via email, showing you what your child has been learning and the new skills they are developing. We think these reports will really brighten up your day!

There is also an option for you to reply to these emails with comments and feedback. We value how well you know your child, therefore it would be brilliant if you could use this feature occasionally to share any 'Star Moments' of learning your child does at home. We are unable to reply to these emails individually but they will be added to your child's Learning Journal and will help our staff to support your child even more effectively in the classroom.

You will receive an email in the next few days from reports@2buildaprofile.com asking you to confirm that you would like to participate. Make sure you check your spam/junk inbox as sometimes emails can get lost in there. Participation is optional, but we really recommend getting involved.

If you have any questions or need any additional information, please speak to your child's class teacher.

Yours sincerely,

Mrs Sally Harris
Assistant Head Teacher
Foundation Stage
