Dear Miss Kelly

I am writing to thank you for your warm welcome when I visited to accredit your school for the Achievement for All Quality Mark last week. I am pleased to confirm that you easily met the required standard. So much so, that I would like to recommend that you continue your journey with us to attain Quality Lead as you are already well on the way.

It was a pleasure to see the way in which the programme has clearly had such an impact on the lives of your young people and their families. Your pupil progress data for your AFA groups was strong, as a result of the good teaching which they had received. On my tour of the school, I was particularly impressed by the behaviour of the children. The wall displays in corridors were also of a high standard – the African one stands out in my memory even as I type this!

Please pass on my congratulations to Mrs Harris and the team for the hard work which has gone into achieving this. I really look forward to continuing to work with you in the future.

Laura
