**HOW CAN I
HELP AT HOME?**

Books, Books, Books

Wondering what to do with your children over the holidays? Maybe you could take a trip to your local library. They always have events on that your children may like to take part in and remember membership is free! Get reading!

PE Day Change:

PE is now going to be on a Friday. Please remember to bring your PE kits back into school after the holidays!

The children really enjoy writing at school. Over the holidays, look at how your child can keep those skills going by writing at home. Maybe they could write a shopping list, a letter to Father Christmas or even leave a message for Rudolf. Remember to bring them in to school to share as a Star Moment.

Hopefully you will have had time to look at the observations of your child that were recently sent via email.

We will be sending further examples of your child's learning during February. It's amazing how much they have already learnt!

Next term, we will be starting our new project...We're Going on a Bear Hunt...
What sort of bear might we find?
Where might we find a bear?
What would you do if you met a bear?
