

Year 2—words to spell by the end of year 2

Spellings

The following words are taken from the new National Curriculum. The children should be able to spell by the end of Year 2. We will be testing the children on these words throughout the year so you may wish to practise some of these over the Christmas holiday and keep them for your reference. You could choose to focus on a few per week or make a game by cutting them up and making word cards.

Merry Christmas and a Happy New Year!
