

Nursery Newsletter

February 2016

Thank You!

Thank you to all parents who attended our Parental Engagement sessions. We had a lovely day and it was so good to see so many parents coming to nursery and supporting your children.

Special Experiences

The children enjoy talking to us about exciting experiences and achievements they have had at home such as outings, hobbies and events like weddings and new babies. They all love to look at photographs of special times so, if you wish to send any pictures into nursery for your child to share with their friends, we will display them. We really enjoy seeing lovely pictures, writing and models that the children have made at home and would like to develop a gallery in nursery to display these. We realise how precious these items are so if your child does not want to leave their treasured hard work in nursery we will take photographs.

Safety

The children are all delighted to see their parents and carers when they are collected at home time but please encourage them to wait for permission from staff before joining you. As you are aware, there are a lot of children to release so you may have to wait a short while. If you need to speak to a member of staff please wait until all children have been safely handed over.

Thank you for your patience.

What have the children been learning?

We have been settling back into Nursery life this week with lots of games and activities to encourage sharing and turn taking. The children have been exploring our creative trolley this week and we have had lots of lovely collages and pictures.

What can you do to help your child at home?

Encourage your child to take notice of growth and change in the outdoor environment as Spring is approaching. By talking with your child, they will develop a wider range of vocabulary and will be more confident to speak within Nursery. Restrict time on computers, phones and iPads and spend time talking to your children, especially to and from Nursery.

Nursery Garden

For health and Safety reasons, we would like to remind you to keep all children off the Nursery equipment before and after school. Any children identified on the equipment, will have their names forwarded to a senior member of staff.

Dates for Your Diary

Thursday 3rd March – World Book Day (dressing up) and Tea Day

Friday 18th March – Sports Relief
