

Year 2 Newsletter

THANK YOU

It is hard to believe that the summer holidays are almost here.

What a truly wonderful year it has been! We would like to thank all of the children for their hard work and determination over the course of the year. They have been a fantastic year group and we have loved teaching them! We wish them every success as they start their journey into key stage 2.

Also a massive thank you to you, the mums, dads, aunties, uncles, grandparents and carers who have worked closely with us and maintained fantastic home school links. We couldn't have done it without your commitment and support.

Enjoy the summer break. Remember to keep yourselves safe when out and about and return to us in September fully rested.

Transition

During the past week all children have spent time with their new teacher in the classroom they will be in in September. It has been hugely successful and the children have started to experience what it will be like when they are in year 3. Every day the

children have returned with huge smiles and their face full of stories about the exciting things they have been doing.

Remember next year that the entrance for year 3 is on the back playground.

We look forward to seeing all the children back at school on Monday 5th September.

Mrs Jackson, Mrs Irvine and Mrs Smith are full of excitement and can't wait to begin your year 3 journey with you in September.

Books books, books!

We are so lucky! Over the holidays we will be having a new library fitted.

Please can you ensure all school reading and library books are returned to school as soon as possible.

Tuesday 19th July at the latest. Thank you.

Sports day

Due to our lovely English summer weather sports day has been rescheduled for

Tuesday 19th July.

We aim to start at 10:30 on the front playground. The event will run until 12pm. You are welcome to enjoy a picnic lunch with your child on our field afterwards.

Toy Day

To celebrate the end of term children may bring a toy into school **Friday 22nd July.**

No tablets, precious or electrical items thank you as we cannot take responsibility for these.

OUR LEARNING

We have enjoyed another successful MoE this half term where the children have been working for Debbie. (who is our link at Forge Mill and Bordesley Abbey.) They have worked hard in learning partners to research Redditch in the past and compare what it was like then to how it is today.

The children have developed their historical skills and sequenced events over a significant period of time. They have also developed a greater understanding of Bordesley Abbey and the Cistercian Monks.
