

“Every child is an artist.  
The problem is how to  
remain an artist  
once we grow up”

## Art at Oak Hill

*Creativity is at the heart of Art and Design at Oak Hill. Teaching at Oak Hill provides engaging, inspiring and challenging opportunities for all our children, equipping them with the knowledge and skills to experiment, invent and create their own works of art, craft and design. The process of creating any piece of art or design work is provided the same amount of attention as the product. As children grow, we encourage them to develop their critical thinking which supports a more rigorous understanding of art and design. Teaching reminds the children of how Art and Design reflects and shapes our history and contributes to the culture, creativity and wealth of our nation.*
