

November 2016

Year 3 Newsletter

We are now Dragonologists working for Dr Ernest Drake.

Since our last newsletter we have started our new MoE. The children did a great job of their homework over the half-term break. We had dragon pictures, sock puppets and information brought in which we have proudly displayed in our classrooms. A dragon appeared to visit our Forest school area leaving 3 eggs. The children have had great fun thinking about the characteristics of the mother dragon and predicting how the egg got into Forest school.

PE This term our PE sessions will be held on Tuesday (outdoor) and Thursday (indoor). Please ensure that your child has correct kit for both sessions. Outdoor PE kit should consist of dark coloured joggers and jacket (black/navy) and trainers.

Snack time

We have had some unhealthy snacks brought in this term and ask that you keep in mind our healthy schools drive and give your child a snack that reflects this e.g. fruit, bread sticks, rice cakes, cereal bars etc.

Targets

The children are working hard on this term's targets. You can help at home by:-

Reading: Continue reading with your child using both books from school and from home. Don't forget to record every time your child reads in their reading diary.

Writing: Learn the weekly spellings and target words which you will find in communication books. The children could also practice writing sentences using interesting adjectives

Numeracy: The children need to practise their 2, 4 and 8 times tables. To support them why not try using this fun website. <http://www.topmarks.co.uk/maths-games/hit-the-button>

Dates for your Diary

Road Safety Week: 21st November

Parental Engagement: Thursday 24th

November 9:00-9:45am

Christmas Lunch: Friday 9th December

Performances: Tuesday 13th December in the afternoon and Wednesday 14th in the morning.

Christmas Party: Thursday 15th December.

Think of the Month

This month's think is...

Can you feel guilty for something you haven't done?

When thinking about your response, think about:

- *What do you think?
- *Why do you think it?
- *Can you give an example?
