

Year 3 Newsletter

December 2016

What a busy term it's been! We've helped out a Roman soldier, rescued a baby dragon and taken care of it, then put on our own performance of 'The Snow Queen'!

We've really enjoyed our learning and have produced work that we are really proud of. Thank you for all of your hard work at home too. We have really enjoyed looking at models, art work, maths and writing that the children have brought in to share. Lots of the children have learnt most, if not all, of the target spellings we have been working on and we are all becoming quicker at recalling times tables facts. If you have a spare few moments during the holiday you can still keep working on these.

Most of all we would like to wish everyone a very **Happy Christmas** and look forward to working together again in 2017!

Thank you

We were really pleased that so many of you were able to come along to see our Christmas performance of 'The Snow Queen' and we hope you enjoyed the show. Thank you for helping your child to learn their words and for providing items needed for costumes, your support is greatly appreciated. We are so proud of all the children and we are sure that you are too! Well done Year 3!

Think

This month's think is...

Is it ever possible to learn nothing?

When thinking about your response, think about:

**What do you think?*

**Why do you think it?*

Answers on the Think board please!

Home Learning

To prepare you for our next MoE it would be really helpful if you could complete one of the following tasks:

Websites to visit:

http://www.bbc.co.uk/bitesize/ks2/science/living_things/health_growth/read/1/

http://www.bbc.co.uk/schools/teachers/ks2_lessonplans/science/health_growth.shtml

<http://www.foodafactoflife.org.uk/Activity.aspx?siteId=14§ionId=61&contentId=55>

Things to do:

Food diary- Write down what you have eaten for one day during the holiday.

Record of exercise done-Did you run around the park? Play football? Other exercise?

Collect recipes/ instructions- Cut out recipes from magazines, bring in recipe books.

Collect food packages-boxes and packets with ingredient lists.

Watch food programmes-Could you become the next Master Chef or Mary Berry?

Books to read:

Charlie and Lola- I will never not eat a tomato, Lauren Child

How to make an apple pie- Marjorie Priceman

How did that get in my lunchbox? - Chris Butterworth

Or, think of your own activity based on exercise and healthy eating. Please bring all your lovely ideas in to school straight after the holiday for us to look at, use in our learning and display for everyone to see.

Thank you.
