

Year 1 Newsletter

December 2016

5 4 3 2 1 Blast off!!!!

- We truly are space experts now and Bob our space guide has kept his job as a result of the fabulous facts we found for him. Not only have we made amazing space fact booklets but we also met the additional challenge of writing a story for the moon gift shop. The homework that you have all been doing has been wonderful, and we have all enjoyed the moon cakes and biscuits and admiring the homemade rockets that have been made.

Little Bob.

- We had a visit from the magician Little Bob on Tuesday 5th December. He wowed us with the tricks that he did and we are still trying to work out how the magic colouring book worked. Our teachers are recovering from having to be the assistant under threat of a soaking. Although they did have the last laugh, the children will explain!!!

Fairy Tale problem solvers.

To help get your child ready for our next MOE you could try out some of the ideas from these websites.

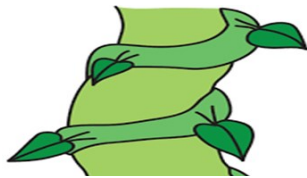

<http://www.first-school.ws/theme/fairytales.htm>

<http://www.bbc.co.uk/education/topics/zf44jxs/videos/1>

<http://www.topmarks.co.uk/Search.aspx?q=fairy+tales>

Don't forget you can always visit the local library and borrow your favourite stories for free.

May we take this opportunity to wish you all a Merry Christmas and a Happy New Year and don't forget that the children return to school on Wednesday 4th January.

Spring Year 1 Targets.

Spelling-

the to of are was is
his has you they
put push pull full

Maths.

To add and subtract teens numbers and single digit numbers.

Eg 13-9=

14+4=

15-5=

16+5=

You will also find a copy of your child's targets in your blue home school communication book.

Brilliant beginnings!

Our next MOE will be - Fairy Tale Problem Solvers.

Over the holiday we would like you to draw and write a description of your favourite fairy tale character. Share fairy tales at bed time. Bring your pictures in to school in January so we can make a display of your fabulous ideas.
