## #becybersmart for Valentines

- S** Stop and think before you fall head over heels.
- M** Make sure you don't reveal too much about yourself.
- A** Are they asking for money? Don't fall for 'hard luck' stories.
- R** Remember to trust your instincts. Does this person seem too good to be true?
- T** Think about how well you really know them. Are they asking you lots of questions but keeping tight-lipped about themselves?
