

At Oak Hill we keep our parents informed of what your child is learning in school to help you support them at home. Below you will find a curriculum map of the subjects the children will be taught this half term and the activities and learning opportunities within this subject. We hope that by providing you with details of what your child is learning at school, you can help to support your child's learning at home and recreate some of the fun learning your child is experiencing at school.

R.E

We will be learning all about Hindu belief and exploring stories about the different Gods and values.

Games

This term we will be developing our flexibility, strength, technique, control and balance through netball.

ICT

This term we will be collecting data and use computer software to present the data.

Science

Year 3 will be identifying that humans and some other animals have skeletons and muscles for support, protection and movement.

Art

We will be experimenting with making Rangoli patterns and using clay to make Diva lamps.

Keep Fit Father Christmas!

We are working for Father Christmas to help him to have a healthy lifestyle!

Dance

Year 3 are very lucky again to be working with a fully trained instructor for our dance sessions where the children will be developing a routine in small groups.

French

This term we will be continuing to learn simple vocabulary and phrases linked to numbers, greetings, days and months.

PSHE

This half term we will be looking at how we can make sure we have a healthy lifestyle.

English

In English we are learning about diary entries and how to write them. We will also be using our knowledge of conjunctions to extend sentences.

Maths

In maths we will be developing our written methods for addition and subtraction and use these methods to solve problems. We will also learn how to represent data in different ways.
