How safe do you feel online?

Help us to get a picture of cyber crime in the region by completing the second annual cyber crime survey. Warwickshire, West Mercia and the West Midlands have joined forces to launch the survey which will look at how people are affected by online crime and how aware they are of the dangers that exist. To fill in the survey, please visit

<https://www.surveymonkey.co.uk/r/RegionalCyber16>

Closing date for responses is Tuesday 31st January 2017.

We would like to welcome

Be bright, be seen.

With evenings and mornings getting darker, whether you are a driver, pedestrian or cyclist, it's more important than ever to be seen.

Frosty Mornings!

Although vehicle crime is low across Warwickshire and West Mercia, cars are stolen from driveways every winter because owners leave them unattended, with the keys in the ignition, while they warm up and the windscreens defrost. Some vehicle owners nip inside for just a few seconds to collect a bag or finish the last mouthful of coffee – but that's all the time an opportunist thief needs. Insurance companies may not pay out for cars stolen in this way – and if your house keys are taken as well, you're making your home vulnerable.

Freeze out car thieves on frosty mornings:
Clear windscreens with de-icer and a scraper
Sit in your vehicle while the heater de-mists the windscreen
