

Year 2 Newsletter

January

Happy New Year from all the staff in Year 2!

Message from Mr Grinling.

Thank you children for all your hard work already this half term you have already helped me to locate different oceans and continents. I was very impressed with your sea creature fact files and descriptions they have helped me identify the creatures living by my light house.

Next half term we will be visiting the Think Tank museum to support your children's learning and understanding of our 'Marvellous Mechanisms' topic. You have received a letter regarding the dates and costing of this trip. We would be grateful if you could reply to this letter as soon as possible to indicate whether you can meet the required half of the cost in order for us to fund this visit. When we have them returned, we will be sending out a payment and consent letter if we have received enough replies to continue.

REMINDER

Outdoor P.E

It is a requirement by government that all children take part in P.E for a set time each week. This means that one of our P.E sessions will be outside. As the weather gets cooler we realise that children require warmer clothing so please send your child a named, plain tracksuit top and bottoms to wear on top of their kit and suitable outside trainers. Please check that pumps fit as children do have a tendency to grow.

We will be doing PE on Wednesdays and Fridays but this may change due to bad weather so PE kits need to be in school at all times

Parents Evening

Parents evening this half term will take place on Tuesday 14th February and Thursday 16th February.

There will be no clubs on these days.

Year 2 parental engagement will take place on Thursday 9th February, 1.40 - 2.40pm. We hope to see you there!
