

World Book Day

This year we are continuing to focus on developing the children's lifelong interest in reading and on Thursday 2nd March we will be celebrating the 20th year of national World Book Day.

The children will be given their World Book Day £1 tokens, which can be exchanged at our school book fair or for one of the exclusive World Book Day books in many high street shops. This year, our Book Fair will be in school from Monday 27th February until Friday 3rd March, so you will be able to browse and buy during Tea Day.

On Thursday 2nd March in celebration of World Book day and Tea Day, the children are welcome to come to school dressed as a character from a chosen book. Please also bring along a favourite book to share with your class and to read during the day.

The teachers will be planning a range of activities to be completed throughout the day, all designed around reading for pleasure all year round.
