Dear Parents/Guardians

In response to feedback from parents, we would like to offer parents and carers for children in Year 1 and Year 3, a fun maths workshop session in the Summer term. The session is intended to enable parents to find out about the methods we are using in maths lessons and how you can support your child to allow them to achieve their targets.

Before we finalise a date, we would be grateful if you could let us know if you would be interested.

Please fill in the slip below and return to the school office by Monday 27<sup>th</sup> March.
