

Oak Hill Parent Forum

We encourage a strong partnership between home and school and an effective parents forum is one way in which we seek to strengthen this.

As a member, you have:

- the opportunity to be more involved with what the school is doing*
- the opportunity, along with all the other parents, to share your views from a parents perspective.*

They are informal groups where you can share views

Make your views known to support the improvement of the school.

As a member of the parent forum, you have an important role in working closely with Oak Hill members of staff by:

- identifying areas to further develop with the school.
- being asked your opinion on issues relating to the school and the education it provides.
- helping out, if you have time, with school events such as the summer fayre and craft workshops, but not essential.

How can I get involved?

If you would like to know more about our parent forum, please come along to a parent forum session on Monday 20th March 2017 at 8:45am with Miss Wyatt.
