March 2017

Chitty Chitty Bang Bang - We Love You!

Our topic got off to a flying start with our trip to Thinktank Science Museum in Birmingham. The children really enjoyed looking around the Inventions exhibition featuring an original Chitty Chitty Bang Bang car! Year 2 were thoroughly entertained in the theatre workshop exploring light. It was non-stop interactive fun and the day was described by some of our pupils as "the best trip ever!"

Abracadabra!

We have continued learning about science in a fun way from our visitor in a Magic Show this week!

World Book Day

Thank you to everyone who dressed up in their fantastic costumes! It was such an enjoyable way of sharing our love of reading!

Monsters Machine MOE

Thank you for all the brilliant models and information pages for our homework display about famous inventions. They look great!

Targets for Spring 2

Spelling Here are the Year 2 common exception words for this half term.

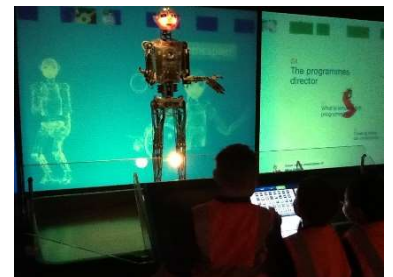

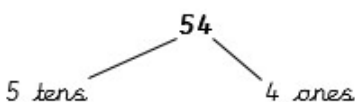

move	half
prove	whole
improve	everybody
clothes	parents
people	after

Maths:

The children need to be able to partition numbers into tens and ones. Here are some examples of how to partition two digit numbers;

$$54 = 5 \text{ tens and } 4 \text{ ones } 50 + 4 = 54$$

OR

Outdoor Learning Day!

Year 2 will be having their Outdoor Learning Day on **Friday 24th March**. Please ensure that your child comes suitably dressed in outdoor clothes.
