

Oak Hill First School

Sports Premium Grant

The government is providing additional funding of £150 million per annum to improve provision of physical education (PE) and sport in primary schools. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. For the year 2016-2017 for Oak Hill First school this equates to £9735

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. For the years 2017-2018 possible uses for the funding might include:

- hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- supporting and engaging the least active children through new or additional Change4Life clubs
- paying for professional development opportunities for teachers in PE and sport
- providing cover to release primary teachers for professional development in PE and sport
- running sport competitions, or increasing pupils' participation in the School Games
- buying quality assured professional development modules or materials for PE and sport
- providing places for pupils on after school sports clubs and holiday clubs

Accountability

From September 2013, schools will be held to account over how they spend their additional, ring-fenced funding. Ofsted will strengthen the coverage of PE and sport within the 'Inspectors' handbook' and supporting guidance so that both schools and inspectors know how sport and PE will be assessed in future as part of the school's overall provision.

Schools will also be required to include details of their provision of PE and sport on their website, alongside details of their broader curriculum, so that parents can compare sports provision between schools, both within and beyond the school day. Below is a historical account of how the money has been spent and the future plan for the academic year.

2016/2017

For the Financial Year 2016/2017 Oak Hill First School received £9738 of PE & Sports Funding. The following table shows how we spent the PE & Sports Funding in 2016/2017.

Category	Description	Cost	Impact
Staff Training and Development	The hiring of external providers to develop and enhance teachers and support staffs confidence in delivering sporting activities.	£5250	<u>Gymnastics</u> Pupils are now showing clear progression of skills from Y1 to Y4. Children are being identified by coaches to go to external provider to develop gymnastics expertise – promoting healthy and sporting lifestyles.
	Provide cover teacher costs in order to allow teachers to plan alongside the sports coach	£540	<u>Games</u> Pupils are developing stronger skills in basic games areas focussing on ball skills. Staff confidence in delivery of games activities has dramatically improved this year and children are able to apply their basic ball skills in different game situations.
	Cover for the PE co-ordinator to quality assure the quality of teaching and learning of the supported sessions		<u>Dance</u> New and existing teachers are more confident in the planning and delivering of dance. Dance was taught for an increasing number of weeks compared to previous years. Dance is becoming more high profile and is being used in assemblies and productions. Planning accurately reflects the progression and sequence of learning. Teachers are taking more ownership of this process now and are now using the skills to plan follow up blocks of learning independently. Teachers receive quality training from providers. The feedback received helps move future lessons forwards. Support is given as necessary when identified.
Swimming – beyond statutory provision	Provide specialist swimming coaches for Y3 & Y4 sessions	£472	Reduced group sizes has allowed for more personal interventions. Provision for more able swimmers has been extended.
	Provide transport to swimming sessions	£1900	Pupils access increased swimming opportunities
Resources	The purchase of PE equipment for PE lessons, after-school clubs and lunchtime play.	£463.95	The additional resources has meant that the number of children active and involved in sports games during break times and lunch times will increase.
Inter school competition	Partnership costs (transport, resources, cover)	£1110	Pupils have experienced more opportunities for competitive sport and have had opportunities to share their sporting achievements with their peers in local schools
Total Spend for Financial Year 2016/2017:		£9735.95	

2015/2016
