Victorian Toy Experts

We are definitely experts on Victorian toys. Year 1 experienced what it was like to be a Victorian child when we visited Hartlebury Museum. We impressed the staff at the museum so much with our knowledge and enthusiasm of the toys we explored, they gave us vouchers to go back and see them again!

How does your garden grow?

Next half term we will be learning all about how to grow things. We will be looking at the book 'The Tin Forest.' In this story an old man lives in a junk yard and he has never seen a real plant or forest before. He shapes the junk into the pictures of flowers he sees in his books. Could you make a flower out of junk for the old man?

Perhaps you could try growing some flowers/plants at home and keep a photo diary of how they grow or write instructions or top tips to the old man about how to keep his garden tidy.

How does your garden grow?

To help your children keep up all the great work they have been doing, Try out some of the ideas from these websites.

Remember you can always visit the local library and borrow your favourite books for free.

Weather

Please make sure that your child has a complete PE kit and PE pumps that fit them. Make sure that names are in the children's clothes.

With the warmer weather approaching, please be aware of sun safety. Children will need a hat and their water bottle, every day to make sure they stay safe in the sun.

Important dates for your diary
