

Nursery Newsletter

October (2) 2017

All About Us

We had a visit from Mr and Mrs Slater and their 8-month-old baby, Blake. We enjoyed meeting him and finding out about how he was different to us. Mrs Slater showed us his favourite toys and his bottle of milk and the food he is starting to eat. We also saw a cardigan that he wore when he was first born- it was teeny tiny! Since the visit we have converted our home corner into a baby clinic which has been very busy with the nursery children looking after the baby dolls- bathing, feeding, and dressing them and even changing their nappies!

We have also been busy planting bulbs this week in our garden area- we will be waiting to see if they grow into beautiful daffodils in the spring.

Parental Engagement sessions

Wednesday 1st November- 9- 10am and 2-3pm

We have sent out letters to invite you to come and share your child's learning in a fun way at this term's Parental Engagement session. Our focus this term is fireworks and bonfires as it Bonfire Night on the first Sunday back after half term. This session is designed for you to spend 1:1 time with your nursery child so unfortunately, we cannot accommodate younger siblings. Please arrive at the main school office to sign in just before 9am/2pm and then a member of the nursery team will come and collect you. Parents of full time nursery children are welcome to join us for either session- whichever works best for you.

HARVEST

Thank you to all families who could bring in some contributions for our Harvest collection. The children were very interested in the variety of tins, packets, and boxes for food we were given. We talked about where the food would go and how it would help families and children not as lucky as ourselves.

Talking Together Time on Tuesdays

It is so important for young children to have time talking with the adults in their lives so the more you can talk with them about everyday life and the things that you see and do the better we love to hear the children's news!

**The first week topic will be:
What we enjoyed best during half term.**

Name Labels

Please make sure you write your child's name/initials in all their clothing especially cardigans/jumpers and coats. Please also ensure you child has a warm coat and sensible shoes each day as the weather is quite changeable.
