A Fond Farewell

Special PC Nicky Gormley is leaving us after 13 years volunteering for West Mercia
A great BIG thank you and all the best for the future

- S. Stop and think before you fall head over heels.
- M. Make sure you don't reveal too much about yourself.
- A. Are they asking for money? Don't fall for 'hard luck' stories.
- R. Remember to trust your instincts. Does this person seem too good to be true?
- T. Think about how well you really know them. Are they asking you lots of questions but keeping tight-lipped about themselves?

Freeze out car thieves on frosty mornings:

Although vehicle crime is low across Warwickshire and West Mercia, cars are stolen from driveways every winter because owners leave them unattended, with the keys in the ignition, while they warm up and the windscreens defrost.

Some vehicle owners nip inside for just a few seconds to collect a bag or finish the last mouthful of coffee – but that's all the time an opportunist thief needs.

Insurance companies may not pay out for cars stolen in this way – and if your house keys are taken as well, you're making your home vulnerable.

 Clear windscreens with de-icer and a scraper

 Sit in your vehicle while the heater de-mists the windscreen
