

Year 1 Newsletter - March 2018

e-Safety -We are information protectors

This half term, Year 1 pupils have been learning about personal information and how to protect this. Please discuss this at home with your child and how they can apply what they have learnt at home when playing on their own devices.

Dates for the diary

Monday 19th March

Parental engagement- Art in the style of Paul Klee

Sports relief week

Wednesday 21st March

Circus skills workshop.

Friday 23rd March

Sports relief day. Children to come dressed in sporty clothes and bring in £1 donation.

Outdoor P.E

As the weather is yet to get warmer and we still continue to do outdoor P.E sessions, please ensure your child is fully prepared.

This includes jogging bottoms, sports hoodie, hats and gloves. There will be reminders in the communication book if children do not have the correct P.E kit and are not ready for the lesson.

'Lost and Found' Update

We have been fabulous writers and scientists, finding out about penguins and writing fact files. They were so good that the vet would like us to write some sentences about cats and dogs for his practice. We have been researching cats and dogs, making notes and will be writing our own factual sentences for our fact files. Keep your eyes peeled!

How to help at home- Maths
In Maths we have been looking at division by sharing. We have been trying to make sure we count and share into equal groups. Please support this at home by sharing coins, washing, spoons- anything you like – just sharing into equal groups.

So - $10 \div 2 = 5$
10 shared by 2 (groups)
= 5 (in each group)

Reading –

Please continue to practise reading the phonics reading materials that were shared with you at parents evening. As a reminder, some the words are real and some are made up. (alien words) The made up words have a picture of an alien on them.

Wild Science animal visits.

We had such a wonderful time when Wild Science brought us in a selection of creatures to explore close up.

We had a baby corn snake, a mexican red knee tarantula, a giant snail, the biggest coachroach we had ever seen and a lovely , but enormous rabbit. We all had the opportunity to stroke and hold the animals and we even high fived the spider! Well done Year 1!
