

Year 2 Newsletter

16th March

Year 2 have been busy helping the resident of Dull-on-Sea after some noisy pirate moved in. We wrote persuasive letters to complain about their shocking behaviour.

We have also been carrying out scientific experiments to find out about hygiene as the residents had been complaining about the pirates poor hygiene.

We have been using our geographical knowledge to help the pirates to identify different continents and oceans and also been using grid references to find treasure!

Please continue to support your child at home.

Outdoor P.E - Mondays

It is a requirement by government that all children take part in P.E for a set time each week. This means that one of our P.E sessions will be outside. Due to the cold weather children require warmer clothing so please send your child a named, plain tracksuit top and bottoms to wear on top of their kit and suitable outside trainers. Please check that pumps fit as children do have a tendency to grow.

Indoor P.E - Wednesdays

Please can your child have a named white T-shirt, shorts and pumps.
