Dear Parents,

RA and RB Afternoon Collection

Recently we have purchased a range of new resources to add to our outdoor resources/provision. We have been busy organising these into areas within the outdoor space. We would like to leave resources and areas prepared for use at all times during the day rather than the children having to spend time packing them away at the end of the day. In order to allow this we will no longer be opening the outdoor area gates at the end of the day.

Therefore, from **Tuesday 8th May**, your child will now need to be collected from the gate nearest to their classroom door. RA will be collected from the picket fence in the Nursery garden, with RB being collected from the gate nearest to the large playground. Children will not be released until a familiar adult collects them from the appropriate gate.

Should you have any further questions please speak to your child's class teacher.

Thank you for your continued support,

Mrs Mason-Burke and Miss Atkinson
