

Year 1 Newsletter

11th May 2018

Year 1 have been busy helping the old man who lives in the tin forest to name and look after all the plants he has grown there. We have been busy planting our own bean stalks and are observing them each week to see how tall they have grown. We have also learnt the names of the trees that we have on our school grounds.

In English we have been retelling the story of Jack and the beanstalk and getting ready to write our own versions with different characters.

Maths has been extra exciting with us learning how to add 2 digit numbers. What a busy start to term we have had!

E-Safety

In our JIGSAW PSHE sessions we have discussed how to keep ourselves safe, including when we are using the internet. We have also talked about what to do if you accidentally view inappropriate content online.
