

Reception Newsletter

June 2018

Reminders

Please remember to send your child into school with a water bottle, so that it can be accessed every day. Please make sure that it only contains water too, thank you. Also, please ensure your child has a cap in school. High factor sun cream should be applied at home

E-Safety

KS1 and 2 had an assembly this week about online gaming. Familiarise yourself with the age ratings for games and apps which can help to indicate the level and suitability of the content. Also see if online reviews are available from other parents as these may be helpful. Please be aware Fortnite is a 12 age rating.

DIARY DATES

Thursday 5th July - Sports day
Thursday 19th July - Trip to Umberslade farm
Tuesday 24th July - End of Term

Sports Day

We hope parents and carers will be able to join us on our Sports Day Thursday 5th July, 10.30 - 11.30. If you would like to stay after the activities are finished for a picnic lunch with your child on the field please feel free to do so.

Please ensure your child has a P.E kit including pumps/ trainers, a cap and a water bottle in school. If it is sunny please apply high factor sun cream to your child before they come to school.

We always have a lot of fun and we look forward to welcoming you.

Head Lice

**These little 'visitors' seem to be overstaying their welcome in Reception this year!
Here are some guidelines in preventing head lice infestation.**

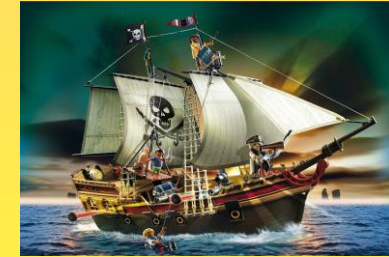

Always follow up any treatment method as directed by the instructions on the product you're using. Even with treatments that are claimed to kill head lice after one application, the Department of Health suggests checking for lice again after three to five days, and again 10 to 12 days after using the treatment. This is because not all the eggs may be killed by the first application.

If you choose the conditioner-and-nit-comb method, repeat this at regular intervals until all the nits and lice have gone. Regularly combing through your child's hair and checking will help prevent a reinfestation.

Summer Topics

Shiver me timbers

Pirates took over Reception and children learnt all about being a pirate. We created treasure maps and wrote directions to find the treasure.

How goes the work? Quack

We will be continuing the Summer term learning about life on a farm through the story of Farmer Duck. We will be following up our work by visiting a farm.

How can I support my child at home?

- Help your child to recognise coins, count in pennies, two pences and ten pences
- Practise letter formation in preparation for Year 1. Writing with different colour pens, writing in sand, shaving foam etc
