Friday 19th October

Dear Parents/Carers

This September we have introduced a new approach to the way we teach maths and the way that our children learn. Many of our parents have requested further information in order to help support their child at home and to develop their own understanding of why and how our approach to teaching mathematics has changed. With this in mind, we would like to invite parents to a meeting to share information with you about Maths No Problem.

The aim of the meeting is for all parents/carers to have a basic insight into how Maths No Problem is taught and the strategies and methods we use in school. This will be fundamental when supporting your child's maths development at home.

To allow as many people as possible the opportunity to attend we are offering a number of days and times. **We will then look at which is most the popular date and time and offer the meeting based upon the response.**

Please indicate below which times and dates would be most suitable to attend. You may choose more than one. We will be unable to accommodate small children at this meeting.

Please return your form with your choices by Thursday 25th October.

Monday 19 th November	9.00am	
	2.15pm	
	5.30pm	

Thursday 29 th November	9.00am	
	2.15pm	
	5.30pm	

Yours Sincerely

Mrs Thomas
Key Stage 1 Assistant Head/ Maths Lead
