

# Oak Hill First School

Wednesday 3<sup>rd</sup> October 2018

Dear Parents/Carers

Year 2 will be walking to Southcrest Woods on **Tuesday 9<sup>th</sup> October**.

As part of our Mantle of the Expert (MOE) work, the children will be working for our new client Mr Penning who is a member of the Redditch Borough Council. He has asked us to find a suitable home for woodland animals. Therefore we will visit Southcrest Woods to help us complete some Science and Geography tasks. The children will be investigating the type of trees grown there by studying the leaves and identifying woodland plants and animals. Year 2 will also explore the land use in the local area by looking at the physical and human features.

We will be leaving school after morning registration on the morning of the trip and will be returning to school before lunchtime. Therefore your child can have their lunch arrangements as normal.

If your child's medical needs change prior to the trip, please could you inform school by Monday 8<sup>th</sup> October.

Please ensure that your child comes to school dressed in warm, suitable outdoor clothing and a coat on the day of the trip. They will need to wear wellington boots. We would appreciate your child bringing a spare pair of trainers or shoes that they can change into upon returning to school. A plastic bag will be required to put their dirty wellington boots into.

If you have any questions, then please do not hesitate to ask.

Thank you.

Miss Card  
Year 2 Leader
