

Dear Parent,

Permission to Wear Swimming Goggles

I should inform you that it is your responsibility, as parent, to teach your child to put on and take off goggles in the correct and safe fashion. Our advice would be to read the manufacturer's instructions for putting them on and taking them off. This is important to ensure protection of eyes from impact damage through stretching the eyepieces away from the face with wet fingers.

Please ensure that goggles are of a good quality. Goggles should be British Standard Institution (BSI) which includes makes such as Speedo or Zoggs, which will include instruction on the package for the correct way to put them on and take them off. You should be aware that on occasions your child will be asked to remove their goggles in order to safely perform certain aquatic activities.

If you would like your child to wear goggles during swimming lessons in school, please complete the form below. No goggles may be worn without the signed form.

Yours faithfully

Mrs. S Baker
