Dear Parents/Carers

Thank you for your responses to the recent letter regarding our new maths curriculum. We had a very positive response and are able to offer three workshops. They will take place on **Monday 19th November at 5.30pm**

Thursday 29th November at 9.00am

Thursday 29th November at 2.15pm

There will be presentation which will last for approximately 30 minutes followed by a chance for you to look at learning resources and to ask any questions that you may have. Due to the nature of the meeting we will not be able to accommodate small children.

The aim of the meeting is for all parents/carers to have a basic insight into how Maths No Problem is taught and the strategies and methods we use in school. This will be fundamental when supporting your child's maths development at home.

Please confirm your attendance at one of the workshops by completing the form below and returning to your child's class teacher by **Wednesday 14th November**.

Please only choose ONE of the dates.

Please note we will not be able to run the meeting if we do not have a minimum number of parents sign up for each session.

Yours sincerely

Mrs Thomas
