March 2019

Pirates in peril!

Year 2 have started working for our client Captain Rocky Cliff. He has been exploring the seven seas and Year 2 have helped him with directions, sorting out naughty pirates and finding out about different creatures that live in the ocean. We really enjoyed it when Captain Rocky Cliff came to visit us. He told us lots of information about real life pirates and he even made some of us walk the plank!

Maths No Problem

One of the maths topics we are focussing on this half term is shapes. Ask your child if they can tell you how many sides and vertices these shapes have, and if there are any lines of symmetry.

RNLI

On Monday 1st April the Royal National Lifeboat institution will be coming into school to speak to us about how to stay safe around water!

Lifeboats

PE

This half term our outdoor PE sessions are on Tuesday afternoons and indoor PE lessons are on Wednesday mornings. Please ensure your child has both their indoor kit and warm outdoor clothes available in school. Also check that your child's name is written clearly on all of their belongings.

Target Words

This half term the children need to learn to spell the words listed below. We will check how many they have learnt at the end of this half term.

door	floor
poor	pretty
beautiful	path
bath	water
who	whole

Trip to Birmingham Sea life centre

Year 2 are really excited to be planning our trip to the Sea life centre in Birmingham. We're going to find out lots more information about different sea creatures so we can tell Captain Rocky Cliff all about them.

Remember we are 'setting sail' to Birmingham on Monday 8th April. Please to send your child in full school uniform with a packed lunch unless requested from the office.

E-safety

This year 'Safer Internet Day' took place on the 5th February and was celebrated globally with the theme of 'Together for a better Internet'. The children explored and revisited how we keep safe on the internet including at home. Feel free to use the link below to see ways that you can encourage and support your child with this at home.

<https://www.saferinternet.org.uk/safer-internet-day/2019>

Water Bottles

It is really important to stay hydrated throughout the day so please ensure your child has a named water bottle in school every day. These will be sent home every Friday to be washed. Thank you.
