

# Year 2 Homework Activities - Fairy tale Forest

Homework is due in every WEDNESDAY.  
Choose a different homework task each week.

Research facts about the woodland habitat.

Then design a fact sheet about all the things that you have found out.

'I've got 18 trolls under my bridge. How can I represent them in different ways?'

You could:

- Draw them
- Draw lines and dots
- Make a part part whole
- Make number sentences

Write a fairytale story.

Create your own fairytale character (draw, paint, model etc) and give them a name.

Some of the activities may need a little longer to complete, so could be carried over to a second week. However I must be able to see the progress you have made after the first week.

Compose a song or rap to persuade people to help you rehome the animals.

Describe your favourite fairytale character using adjectives and nouns.

There are 7 dwarves in Snow White. How many shoes would they need altogether?

Baby Bear eats 3 boxes of porridge. Daddy Bear eats 5 boxes of porridge. How many boxes do they eat altogether?

Make a 3D model of a new habitat for a bird that you have saved from the burning woodland.
